Dear Voter,

Thank you for voting for Democratic candidates in November 2019. Your vote mattered - more Democrats won in Delaware County than ever before. Now, we need your help in 2020.

Indivisible is a national movement of thousands of group leaders and more than a million members taking regular action to resist the GOP's agenda, elect local champions, and fight to protect our democratic principles. **Indivisible Main Line South (IMLS)** is your Indivisible group in Marple, Newtown and Radnor. We make calls. We show up. We speak with our neighbors. We organize. We help win elections!

Indivisibles are remaking our democracy and electing Democrats up and down the ballot. Our **March to 2020** mission is to help Turn PA Blue by holding onto Pennsylvania House Representative Jenn O'Mara's seat in District 165th (half Marple/half Radnor), flip the 168th (Marple Ward 5/all of Newtown Square), and win back the White House on November 3, 2020.

Please take the first step with us on Monday, January 20, 2020.

**7:00 PM at Camelot Ballroom
327 North Newtown Street Rd. (Route 252)
Newtown Square, PA 19073**

**with Rep. Jennifer O'Mara - PA District 165th
and Deb Ciamacca - Democratic candidate for the PA 168th**

Join IMLS on the 20th of every month through to November 2020 as we organize and teach volunteers the many ways to successfully reach out to voters in our Districts. Our efforts together will turn PA blue *and* elect a Democratic president!

Join our team, take action, and learn how you personally can make a difference for a better future!!

Thank you!
